COMMANDERS NOTES

I would like to recognize everyone who made our Saturday event the huge success that it was. This would not have been possible without each of you who helped out. From setting up and tearing down, to music, to cooking in the kitchen, to running orders outside, making runs to the store, and every other task which arose, none of this would have been possible without you. After being closed for more than two months, our Post really needed the big day that we had. Most importantly, our Post needed the people who made it happen, THANK YOU VERY MUCH! A very huge and special THANK YOU to those who donated money to the Post. It was incredible to see how many people thought enough of our organization, to donate their hard-earned cash. You guys are awesome, thank you! Reminder that the River Radio Blood Drive will be held on Thursday, June 25th from 1 to 6pm. The last Blood Drive we held, we collected 37 pints of blood. Let's get the word out and try to make this next Blood Drive even more successful! Everyone stay safe and healthy. For God and Country—Jim Willis

AM. LEGION AUX UNIT 280.

The past few weeks have been very stressful but we have made it so far. Unit 280 has been busy donating items to our local Veterans. Thanks to member's Susie Smith and Marti Willis who have been busy making masks. We have collected about \$300.00 in donations. We have been donating masks to Helia Healthcare and Benton Rehab. We proudly displayed our flags for Memorial Day at the Masonic & Odd Fellows cemetery, and around town. Thanks to our amazing City Commissioner, Don Storey, and Fire Chief, Shane Cockrum, for taking them down from our streets. July 13th is our next scheduled meeting and will be held at the post at the usual time. Thanks to everyone for your continued support of our Unit, our Post, our Veterans and our community.
