We would like to give a very special Thank You to everyone who has been involved in the success of our Post. For the past 100 years, the Stanley McCollum Post 280 has served Veterans in our community. This would not have been possible without the endless hours of volunteer work that countless people, both past and present, have given to our Post.

As we look forward to the next 100 years, we look forward to continuing our mission of serving the Veterans of our community.
